### FLORT DESIGNS ( MADE IN EUROPE)

#### a must have

This line has been very well received . We recommend it for: hardware stores, department stores, and linen stores as they come already packaged with a barcode. For the fabric stores, this is one of our most popular designs that we sell for that market.

AFTER A YEAR LEFT THE TABLECLOTH OUTSIDE THE TABLECLOTH STILL THE SAME

THIS IS A VERY GOOD QUALITY AND IT DOES NOT CRACK

We can supply the finish tablecloth with a minimum orders .please email us with the design you are looking for and we will tell you if we can do it
